2:25-2:30	Wrap-up as Master Consortium	Matt

Handouts:

1. Agenda
2. Slide deck
3. July/August 2021 RCORP-TA Newsletter (coming soon!)

Next Meeting: August 24, 2021 (1:00-2:30pm)

Dates to Know

July/August 2021 – Master Consortium Sustainability Self-Assessment

September/October 2021 – Local Sustainability Process

8/31/2021 – Master Consortium Sustainability Plan Draft due to JBS TEL and FPR

8/17-8/18/2021 – HRSA RCORP Regional Meeting (Region 5)

9/30/2021 – Year End Report, PIMS, Master Consortium Sustainability Plan Deliverable Due

Additional InformationResources:

- RCORP-TA Newsletters - Bridging Rural Communities Newsletter (attached)
- NEW [Opioid Overdose Response by Law Enforcement— Training Tips and FAQs | RCORPTA \(rcorp-ta.org\)](#). Published 2/18/2021.
- Research on Risky Substance Use Among [ADULTS](#) in Rural Communities – Published 11/18/2020
- Research on Risky Substance Use Among [ADOLESCENTS](#) in Rural Communities – Published 11/18/2020
- from [HRSA and the HHS Office on Women’s Health](#): Caring for Women with Opioid Use Disorder: A [Toolkit](#) for Organization Leaders and Providers – Published 11/2020
- From NIH: [Combination Treatment for Methamphetamine Use Disorder Shows Promise in NIH Study](#) – Published 1/13/2021 (Journal Article Attached) **Note:** the New England Journal of Medicine has a program where subscribers can get CMEs for reading the article and doing a “quiz” – the cost is \$19 per exam or \$109 for 10 weekly CME exams. This could be an eligible grant expense that you could offer physicians in your area – like a “mini-grant” program. Something to consider for workforce development.

Weekly Technical Assistance Opportunity for MAT/MOUD – Office Hours with Dr. C:

To Register: <https://zoom.us/meeting/register/tJluc-yopzgoEtHwHqdJk7uHXqotFTj0oX8>

- **Please share this opportunity widely to anyone in your Consortium that you think may benefit.**
- Office Hours with Dr. C is a weekly opportunity now open to all HRSA grantees on Thursdays at 2:00 pm to discuss questions related to medication for opioid use disorder (MOUD) with a physician expert and hear what your peers around the country are asking.
- Dr. Campopiano von Klimo is a family doctor, board certified in addiction medicine, and an expert in primary care. Over her 18-year career, she has led a family medical practice, served as medical director of OTPs, and treated patients with buprenorphine in an office-based setting. As a medical director at SAMHSA for five years, Dr. Campopiano von Klimo had regulatory authority for OTPs, updated the federal guidelines for OTPs, and wrote new regulations expanding access to buprenorphine. She serves as senior medical advisor at JBS.
- **Registration is required for each session** so that participants can receive resources discussed during the session and ongoing TA needs can be coordinated with the grantee and corresponding JBS Technical Expert Lead.

- The audience for this technical assistance opportunity is people directly or indirectly involved in designing and delivering MOUD services using HRSA RCORP grant funds through their affiliation with grantees or coalition members, so please disseminate this invitation widely.
- The flexible, open discussion format of Office Hours with Dr. C will allow participants easy, as needed access to an MOUD expert on a dependable schedule. This forum allows participants to drop in and drop out as needed.

For an up-to-date listing of additional RCORP-TA Trainings, please visit: <https://www.rcorp-ta.org/calendar>

Current RCORP-Implementation Core Activities of Focus:

1. Prevention #2b – Stigma Prevention Workgroup
2. Treatment #3 – Workforce Development Workgroup
3. Prevention #3 – Workforce Development Workgroup
4. Recovery #2 – Workforce Development Workgroup

Completed COP-RCORP Consortium Work on RCORP-Implementation Core Activities:

Prevention #2a – Provide and assess the impact of culturally and linguistically appropriate education to improve family members’, caregivers’, and the public’s understanding of evidence-based treatments and prevention strategies for SUD/ODU and to eliminate stigma associated with the disease. Operationalized with Master Consortium Position Statement on CLAS standards. (Will be revisited periodically).

Ongoing Work on RCORP-Implementation Core Activities:

1. Prevention #1 – Naloxone

Emerging Work on RCORP-Implementation Core Activities:

1. Prevention #5 – Focusing on Selective or Indicated Populations

Completed COP-RCORP Consortium Work on RCORP-Implementation Core Activities:

1. **Prevention #2a** – Provide and assess the impact of culturally and linguistically appropriate education to improve family members’, caregivers’, and the public’s understanding of evidence-based treatments and prevention strategies for SUD/ODU and to eliminate stigma associated with the disease.
 - Operationalized with Master Consortium Position Statement on CLAS standards. (Will be revisited periodically).

RCORP-P Strategic Plans (Local Consortia):

Each COP-RCORP Local Consortium uses strategic plans created with RCORP-P funding to guide and complement its work to implement the RCORP-I core activities.

1. Prevention – Supply Reduction
2. Prevention – Demand Reduction
3. Prevention – Harm Reduction
4. Treatment
5. Recovery Supports
6. Workforce Development
7. Sustainability

COP-RCORP Core Planning and Implementation Value(s)

1. Consider how the work of the COP-RCORP Master Consortium impacts the affordability and accessibility of OUD/SUD services in the COP-RCORP Service Area.
2. The COP-RCORP Master Consortium recognizes the importance of utilizing the CLAS Standards when implementing all RCORP OUD/SUD activities and strategic plans in five rural communities in Ohio. We strive to engage in a continuous, data-driven, and collaborative process to address health disparities and promote respectful, responsive, and accessible services. By strengthening our knowledge, skills, and awareness of culturally and linguistically appropriate services, we demonstrate our commitment to enhance health equity across the evolving continuum of care.
