COP-RCORP-Implementation Grantee

Sustainability Questionnaire on Recovery Activities

HRSA/JBS have asked all RCORP-Implementation Grantees to reflect on each of the 15 core activities from a sustainability perspective. OU-VS and PIRE are asking each local consortia to begin this process by first reflecting on the recovery core activities.

This questionnaire is organized by each of the three recovery core activities, as follows:

- Innovative ways to address activities as a master consortium
- Institutionalized & sustained
- Mixture of funding sources to sustain

KEEP
GOING

A photograph of a long, straight asphalt road stretching into the distance under a blue sky with scattered clouds. The road is flanked by green fields. The words "KEEP GOING" are painted in large, white, block letters on the road surface, with "KEEP" on the top line and "GOING" on the bottom line. A white dashed line runs down the center of the road, leading the eye towards the horizon.
