### **Bi-Weekly Technical Assistance Opportunity for MAT/MOUD – Office Hours with Dr. C:**

To Register: <https://zoom.us/meeting/register/tJAtdOCorDoiHNwkslJRcKXE3PjHjNyowC85>

- **Please share this opportunity widely to anyone in your Consortium that you think may benefit.**
- Office Hours with Dr. C is a bi-weekly opportunity open to all grant cohorts, held every other Tuesday, from 3:00 pm to 4:00 pm ET. Bring your questions and challenges related to medication for opioid use disorder (MOUD) to this open discussion session to receive expert guidance and learn from your peers around the country.
- Anyone directly or indirectly involved in designing and delivering MOUD services using HRSA RCORP grant funds may attend. This includes coalition members and others affiliated with grantees, so please disseminate this invitation widely.
- Only Zoom audio will be used for this activity, to make it accessible by phone or computer audio and reduce demands on local internet bandwidth. We do not plan on having video enabled.
- You will receive an email confirmation that will include the link for the Office Hours once you register. Please be sure to save the registration confirmation email, as it holds the call-in number needed to connect via audio and participation instructions.

**COP-RCORP Core Planning and Implementation Value(s)**

1. Consider how the work of the COP-RCORP Master Consortium impacts the affordability and accessibility of OUD/SUD services in the COP-RCORP Service Area.
2. The COP-RCORP Master Consortium recognizes the importance of utilizing the CLAS Standards when implementing all RCORP OUD/SUD activities and strategic plans in five rural communities in Ohio. We strive to engage in a continuous, data-driven, and collaborative process to address health disparities and promote respectful, responsive, and accessible services. By strengthening our knowledge, skills, and awareness of culturally and linguistically appropriate services, we demonstrate our commitment to enhance health equity across the evolving continuum of care.
